

Mike sits on the same set as Kelly's show only a new graphic says: "Mike Sorbo's World."

MIKE

Welcome to my world. Today's thought has to do with the coming holiday and that old chestnut of consumer courtesy. I'm not talking about the classic season's beatings of fighting over Cabbage Patch Dolls or Tickle Me Elmos.

No, my friends, I want to ask what are YOU doing to be a little more nicer this holiday?

Are you the one that talks on your phone in the grocery store, shopping for your holiday food items, leaving your cart right...in...the...middle...of...the aisle?

Mike is growing angrier and more irritated as he goes deeper into this Andy Rooney meets Howard Beale rant.

MIKE (CONT'D)

It's not all about YOU! There are a lot of other people trying get through that store and get what they need and you're blocking the whole aisle while yapping away on your phones.

Now I don't use self check out for the simple reason that I am not paid to do so.

That's right, when you use self checkout you become an unpaid employee of the store.
